

# **SCENE PARALLEL**

## **Residential Theatre and Cinema Workshop**

**Dates:** July 14-20, 2025 (7 days)

**Location:** Berceto Hostel (PR) - Apennines

**Organization:** Accademia Proscenio

### **THE PROJECT**

SCENE PARALLEL is an intensive residential workshop that merges theatre and cinema in a unique educational ecosystem. This is not your typical acting course, but an immersive experience where each module interweaves with others to form complete and versatile performers, with particular attention to digital skills for the future of performing arts.

### **TRAINING PATH**

The program is structured according to British Drama School methodology, with a pedagogical progression that spans all specialized modules.

### **CROSS-CUTTING METHODOLOGY**

The entire path is based on a common methodological foundation that permeates every module: fundamental principles of acting, character construction, text analysis, emotional work, stage presence, development of actorial creativity, and concentration techniques. This methodology integrates elements from Stanislavski, Strasberg, theatrical biomechanics, and contemporary approaches to create aware and versatile performers, forming the connecting thread that unites all specializations.

### **TECHNICAL WORKSHOP: TOOLS FOR THE STAGE**

**Spoken Voice Technique** - Breath control, diction, modulation and vocal power

**Meisner Technique** - In-depth exploration of the Meisner method for scenic authenticity, active listening and monologue construction

**Animal Studies** - Liberation of performative instinct through corporal exploration and animal movement study

## **CINEMA AND DIGITAL PERFORMANCE**

**Acting for Camera** - Intensive masterclass for acting in front of the camera

**Motion Capture & Integrated Combat** - Introduction to motion capture techniques for digital acting, integrated with scenic combat elements for dynamic performances and professional showreel creation

**Acting for Digital Media** - Specific techniques for digital performances and multimedia content

**Audition Mastery** - Advanced psychological strategies, performance anxiety management, artistic personal branding, and transforming every audition into a winning opportunity

## **INTERNATIONAL PERFORMANCE**

**Acting in English** - Acting in English to develop international skills

**Theatre Playground** - Multicultural theatrical workshop to break language barriers through scenic play

## **STORYTELLING AND NARRATION**

**Racconti a Mezzanotte** - Storytelling and scenic narration techniques: narrative arc construction, audience engagement, narrator's stage presence, and entertainment skill development. The module will culminate in the show "Racconti a Mezzanotte"

## **SCENE PARALLEL**

Two-person scene workshop that will culminate in a public performance "Scene Parallel".

Participants will develop intense scenic dynamics and create complete performances that will be presented as the workshop's concluding event.

## **TARGET AUDIENCE**

- Emerging and professional actors
- Performers of all levels
- Students of artistic disciplines
- Theatre and cinema enthusiasts with motivation and interest

An experience that values both those taking their first steps and those wishing to perfect their artistic skills, with particular focus on emerging digital competencies in the entertainment sector.

## **WHY BERCETO**

Berceto is not just a location, but the third actor of SCENE PARALLEL. The mountain environment stimulates creativity, concentration, and authentic connections, allowing each participant to discover new dimensions of their talent away from urban distractions. The residential formula creates total immersion in the artistic experience.
